Letter of Introduction

The United States Department of Agriculture's Food and Nutrition Service (FNS) has hired review staff from **Manhattan Strategy Group** to visit stores. This visit is used to collect and verify store information needed by FNS to determine eligibility or continued eligibility to participate in the Supplemental Nutrition Assistance Program (SNAP).

The Reviewer will take notes on store inventory, make a sketch of the store layout, take photographs inside and outside of the store and interact with store staff to complete the review. The visit will take the Reviewer about 60 minutes and should not interfere with normal store operations.

- **Reviewers have NO authority to answer SNAP questions or make comments or decisions regarding the store's eligibility to participate in SNAP.**
- **Reviewers are NOT allowed to sell (or refer you to sellers of) point-of-sale EBT equipment or any other services.**
- **Reviewers are NOT allowed to charge money for this visit.**

FNS cannot allow a store to accept SNAP EBT cards without a complete store visit. SNAP rules require stores to provide FNS with necessary information when requested. **If you do not allow a store review to be conducted, your application may be denied or your permit may be withdrawn.**

If you agree to allow this Reviewer to conduct a visit of this store, please sign the Store Review Consent Form. If you do not agree to allow a review visit of this store, please sign the Store Review Refusal Form.

Keep this Letter of Introduction for your records. If you have any questions please contact the SNAP Retailer Service Center at 877-823-4369.

Thank you for your interest in serving SNAP customers in your community.

STORE REVIEW CONSENT FORM

FNS#_____Store Name_____

- I understand that the USDA Food and Nutrition Service (FNS) and its Contractor **Manhattan Strategy Group** are authorized to conduct a visit of my store for purposes connected to my SNAP authorization.
- There is **no** charge to me for this visit.
- FNS and its Contractors may **NOT** sell (or refer me to sellers of) point-of-sale EBT equipment or any other services.
- I acknowledge that I will collaborate with the Contractor to ensure accuracy of the store information entered.
- I will immediately report any attempt to charge for this visit or to market/sell services or EBT equipment to SNAP Retailer Service Center at 1 (877)823-4369.

I,_____, give my consent for FNS or its Contractor to
(Print Name)

review this store, take photographs, sketch the store layout, and collect other information in connection with this store's participation in the Supplemental Nutrition Assistance Program (SNAP).

Signature **Date** **Title**

STORE REVIEW REFUSAL FORM

Note: If you do not allow a store review to be conducted, your application may be denied or your permit may be withdrawn.

I,_____, refuse to give my consent for a store review and
(Print Name)

understand that my refusal means that this store will not be eligible to participate in the Supplemental Nutrition Assistance Program (SNAP).

Store Visit Process Quick Reference

Updated 10/20/2025

Assignments are due in 5-7 days (higher rated reviewers get more time) - late reports result in financial penalties

- Extensions cannot be granted
- Client may accept late reports if unpredicted, catastrophic weather event occurs (e.g. tornado)
- Don't wait until the last day to begin store visits or upload reports

Print all documents and carry with you at all times, including extras just in case

- Complete Store Forms Packet (1 per store to visit, plus extras)
- Letter of Introduction (LOI) in 30 languages
- Consent form in 30 languages

Dress professionally, have your ID

Do not call ahead or schedule an appointment - conduct "surprise" visits

When to visit:

- Avoid visiting in the first 30 minutes store is open; do not begin before 7am; begin visits no later than 6pm; begin visits at least two hours before store's stated closing time; **complete** all visits by 8pm
- Best practice not to visit on major federal holidays – e.g. Christmas, Christmas Eve, New Year's Day
- During daylight hours

Introduce yourself upon arrival

- Show ID
- Give store representative the LOI to keep
- My name is xxx, and I work for Manhattan Strategy Group. We are contracted with USDA SNAP to perform store visits. I've been asked to survey your store today.

Getting Consent

- Allow store rep time to read LOI
- Present Consent form and request their signature as permission to perform store visit
- Can be any employee - whoever is in charge of the store at the time
- Verbal consent is okay if they don't want to sign (this should be VERY rare) - explain in comments of your report
- Ask to see store rep's ID (it's okay if they prefer not to provide it)

DO NOT ANSWER **ANY** QUESTIONS - refer store rep to the number in the LOI for ALL questions

1. Ask survey questions (e.g. store owner name, hours of operation, etc.)
    a. This should take no more than 10-15 minutes
    b. Confirm answers during your walks around the store (they said they don't sell hot food, but you see a hot dog grill - ask store rep and explain the discrepancy in comments)
2. Walk the store and assess each 4' section, cooler doors, freezer doors, and other fixtures and count staple foods
    a. This will take 15-45 minutes depending on the size of the store and amount of food in stock
3. Walk the store a second time and draw a rough sketch - you will need to create an electronic version back at your home/office
    a. This should take no longer than 5-10 minutes in the store
    b. Use the Sketch Label list - all these things must be on the sketch if they are present
4. Walk the store a third time and take photos
    a. This should take 5-10 minutes max
    b. Take no more than 80 photos, no fewer than 30 (upload the best 20-70)
    c. Follow the photo checklist - best practice is to take them IN THE ORDER on the sheet
    d. If you miss a required photo, you will have to return, without extra pay (independent contractors)
5. Walk store a 4th time to verify and photograph HPI's, bundles, and infant formula

If you cannot locate the store, the store appears to be closed, you get a refusal, or anything prevents you from getting a complete survey done, call the MSG SNAP Team before you leave the area. We want to prevent you having to return or making a second visit if it can be avoided.

READ your forms, pay attention to camera icons, use your sketch label list and your photo checklist.

This Quick Reference is just that. See SOP for full details on how to conduct store visits.
